

Dragons of Tarkir: Prerelease Price Cheatsheet

This DTK cheatsheet from QuietSpeculation.com is all you need to make sure that all of your trades at this weekend's Prereleases are profitable. All information has been gathered through QS' Trader Tools program, located at the convenient mtg.gg short-link. The program scans the mid-level TCGPlayer prices and displays what hundreds of stores are actually selling these for. You can use Trader Tools and your phone to quickly look up the price of any cards you are trading for at the Prerelease. Anything not listed here is \$1.00 or less.

Printing this out? Run off extra copies for your friends in the store and be a hero.
