

## Battle for Zendikar: Prerelease Price Cheatsheet

This BFZ cheatsheet from [QuietSpeculation.com](http://QuietSpeculation.com) is all you need to make sure that all of your trades at this weekend's Prereleases are profitable. All information has been gathered through QS' Trader Tools program, located at the convenient [mtg.gg](http://mtg.gg) short-link. The program displays TCG-Mid prices. You can use Trader Tools and your phone to quickly look up the price of any cards you are trading for at the Prerelease. Anything not listed here is \$1.00 or less. We didn't list Expeditions because they're too thinly sold right now to get an accurate price.
